[GitHub] A third-party OAuth application has been added to your account

GitHub <noreply@github.com> Fri, Mar 20 at 10:15 AM
To: courtneyjthomas1990-design <courtneyjthomas1990@gmail.com>

Hey courtneyjthomas1990-design!

A third-party OAuth application (Cloud-Console) with user:email scopes was recently authorized to access your account.
Visit https://github.com/settings/connections/applications/Ov23liC2o3ufScaMx4RQ for more information.

To see this and other security events for your account, visit https://github.com/settings/security-log

If you run into problems, please contact support by visiting https://github.com/contact

Thanks,
The GitHub Team
